

A little comfort, made with love

MAC & CHEESE

Dinner is sorted. Put your feet up.

INGREDIENTS - WHOLE RECIPE

250 g macaroni (wheat), 250 g tasty cheddar cheese (milk), 250 ml evaporated milk (milk), 2 large eggs. Optional: salt and pepper.

ALLERGENS: WHEAT (GLUTEN), MILK, EGG

Extras / other allergens: _____

TO REHEAT FROM CHILLED

Remove tag and non-oven-safe packaging. In an oven-safe dish, cover with foil and heat at 180°C conventional / 160°C fan for about 20-30 minutes. Check centre; continue if needed.

MICROWAVE OPTION

Place a portion in a microwave-safe dish. Cover loosely, heat in 1-minute bursts, stirring between bursts. Heat until steaming hot throughout (75°C in centre). Reheat only once.

KEEP REFRIGERATED AT 5°C OR BELOW

Refrigerate promptly, within 2 hours of cooking. Eat within 2 days of making. Keep chilled during transport.
